REPLY TO THE FCC'S APRIL 19, 2007 LETTER

Indy Lico, Inc. ("Indy Lico"), licensee of Station WWFT(FM), Fishers, Indiana, and WFMS Lico, Inc., licensee of Station WFMS(FM), Indianapolis, Indiana ("Joint Petitioners") by their counsel, hereby reply to the Commission's April 19, 2007 Letter (a copy is attached). The Commission's Letter was issued as a result of pleadings filed by Indiana Community Radio Corporation ("ICRC") on September 26, 2006. ICRC claims that Indy Lico has been operating WWFT with Class B1 facilities rather than its authorized Class A facilities. The Commission's Letter requests that Indy Lico identify all periods of time during which it operated WWFT with Class B1 facilities.

Indy Lico hereby states that it has never operated WWFT with Class B1 facilities.

Re: MB Docket No. 05-67 (Fishers,
Lawrence, Indianapolis, and Clinton,
Indiana)

Dear Counsel:

This is in reference to the "Request for Expedited Processing of Counterproposal" ("the ICRC Request") filed by Indiana Community Radio Corporation ("ICRC") in MB Docket No. 05-67 and received September 26, 2006, by the Commission. MB Docket No. 05-67 is an FM allotment rulemaking proceeding in which Indy Lico, Inc., licensee of FM Station WWFT and WFMS Lico, Inc., licensee of FM Station **WFMS**, propose (a) the upgrade of Channel 230A, Station WWFT, Fishers, Indiana, to Channel 230B1 and ~~the~~ reallocation of Channel 230B1 from Fishers to Lawrence, Indiana; (b) the reallocation of Channel 238B, Station WFMS, from Indianapolis to Fishers, Indiana; and (c) the substitution of Channel 229A for Channel 230A at FM Station WPFR, Clinton, Indiana, which is licensed to Word Power, Inc. The ICRC Request contains no service list and only one known copy of the pleading was received by the Commission. Accordingly, this pleading amounts to an impermissible *ex parte* presentation. We note that this pleading was placed on our Electronic Comment Filing System (ECFS), apparently because only one copy of the pleading was mailed to the Commission. Nevertheless, we are hereby serving this pleading on all parties to MB Docket No. 05-67, thus making the pleading a part of MB Docket No. 05-67. ICRC's chief allegation is that FM Station WWFT, Fishers, Indiana, has operated with Class B1 facilities on Channel 230, **as** proposed in this docket, rather than in accordance with its authorized Channel 230A facilities.

Parties to this rulemaking proceeding (MB Docket No. 05-67) are afforded fifteen (15) days from the date of this letter to comment on the ICRC Request. We direct Indy Lico, Inc., licensee of FM Station WWFT, to identify all periods of time during which it operated with Class B1 facilities on Channel 230.

Sincerely,

A handwritten signature in black ink, appearing to read "John A. Karousos", is written over the word "Sincerely,".
